Your Rights & Responsibilities as a Student

As an SFCC student, there are several rights and privileges to which you are entitled. However, there are also several expectations and responsibilities that we have for all students at SFCC. In this section, you can find out more about who has access to your student record, how and when to file an official complaint or appeal an official decision, and more. If you have questions about anything in this section, please contact the Dean of Student Services at 660-596-7217.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act of 1974 helps protect the privacy of your education records. The act provides for the right to inspect and review education records, the right to seek to amend those records, and the right to limit disclosure of information from the records.

The intent of the legislation is to protect your rights and to ensure the privacy and accuracy of education records. The act applies to all institutions that are recipients of federal aid administered by the Secretary of Education.

What rights does FERPA afford you with respect to your education records?

1. The right to inspect and review your education records within 45 days of the day the College receives a request for access.
 - a. You should submit to the Registrar a written request that identifies the record(s) you wish to inspect. The Registrar will make arrangements for access and notify you of the time and place where the records may be inspected. If the records are not maintained in the Academic Records and Registrar office, the Registrar will advise you of the correct official to whom the request should be addressed.
2. The right to request an amendment to your education records that you believe are inaccurate or misleading.
3. You may ask the College to amend a record you believe is inaccurate or misleading. You should notify the Registrar in writing, clearly identify the part of the record you want changed and specify why it is inaccurate or misleading. If the College decides not to amend the record as requested, the College will notify you and advise you of your right to a hearing regarding the request for amendment. Additional information regarding the hearing will be provided when you are notified of a hearing.
4. The right to consent to disclosures of personally identifiable information contained in your education records, except to the extent that FERPA authorizes disclosure without consent.
 - a. One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record to fulfill his or her professional responsibility.

5. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA.
6. The name and address of the office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Ave., SW, Washington, DC 20202-4605

Who is protected under FERPA?

- Students who are currently or formerly enrolled, regardless of their age or status regarding parental dependency.
- Students who have applied to but have not attended an institution and deceased students do not come under FERPA guidelines.
- Parents of students termed as “dependent” for income tax purposes may have access to the student’s education records. A copy of the parents’ most recent federal income tax return, on which the parents declared the student as a dependent, must be submitted to the Academic Records and Registrar office to document “dependency.”

What are education records?

With certain exceptions, an education record is any record (1) from which a student can be personally identified and (2) maintained by the College. Students have the right to access these records. Education records include any records in whatever medium (handwritten, print, magnetic tape, film, diskette, etc.) that are in the possession of any school official. This includes transcripts or other records obtained from a school at which a student was previously enrolled.

What is not included in an education record?

- Sole possession records or private notes held by school officials that are not accessible or released to other personnel;
- Records relating to individuals who are employed by the institution (unless contingent upon attendance);
- Records relating to treatment provided by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional and disclosed only to individuals providing treatment; and
- Records of an institution that contain information about an individual obtained only after that person is no longer a student at that institution, i.e., alumni records.

What is directory information?

SFCC may disclose information about students without violating FERPA if the College has designated that information as directory information. Directory information is not generally considered harmful or an invasion of privacy if disclosed. Unless students request in writing to the contrary, federal law permits the College to release the following directory information to the public without student consent:

- Job placement records
- Height/weight of student athletes
- Current enrollment

Directory information cannot include:

- Student ID numbers or Social Security numbers
- Ethnicity, race or nationality
- Gender

How do you authorize release of your education record in the form of an academic transcript?

You must authorize the release of your transcripts by written request with your signature or by completing and signing [transcript request forms](#) available in the Academic Records and Registrar office. The receipt of a written request via fax with signature to release an education record is permissible.

Who may have access to your information?

- You and any outside party who has your written request;
- School officials (as defined by the College) who have legitimate education interests;
- Parents of a dependent student as defined by the Internal Revenue Code; and
- A person in response to a lawfully issued subpoena or court order, as long as the College first makes a reasonable attempt to notify the student. Normally, the College will comply with a subpoena after two weeks have elapsed from the day the subpoena was received.

When is your consent not required to disclose information?

When the disclosure is:

- To school officials (defined in policy) who have a legitimate educational interest;

 3. If the student disputes the decision of the Associate Dean, they should submit an appeal using the Grievance and Appellate form to the appropriate Dean.
 4. If a student disputes the decision of the Dean, he or she should submit a final appeal to the Campus Issue Resolution Committee.

Complaints or grievances from students, employees and members of the public relating to discrimination, harassment or retaliation on the basis of a protected status or protected activity, as noted in any of the federal laws listed below, can be made in-person, by mail, phone, email or through electronic submission using the form(s) available on the SFCC website. Such complaints and grievances are subject to the Nondiscrimination, Harassment and Retaliation Process outlined in Regulation 1211.

- Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000d et seq., which prohibits discrimination on the basis of race, color, or national origin in programs and activities receiving Federal financial assistance.
- Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000e et seq., which prohibits employment discrimination based on race, color, religion, sex, and national origin.
- Title IX of the Education Amendments of 1972 (Title IX), as amended, 20 U.S.C. 1681 et seq., which prohibits discrimination on the basis of sex in educational programs and activities receiving Federal financial assistance.
- Section 504 of the Rehabilitation Act of 1973 (Section 504), as amended, 29 U.S.C. 794, and the Americans with Disabilities Act of 1990, which prohibits discrimination on the basis of disability.
- Age Discrimination Act of 1975, as amended 42 U.S.C. 6101 et seq., which prohibits discrimination on the basis of age.

Grievance Process:

For students and members of the public

Most grievances utilize the procedure outlined below. In most circumstances, the individual seeking resolution (Complainant/Appellant) may first attempt to resolve the issue informally with the appropriate student, employee or department involved. The Director of Student Life and the Director of Human Resources are available to help mediate resolutions, to provide impartial advice and guidance on the process, and to discuss the issue.

It is important to note that degree programs with specific accreditation requirements, such as the Nursing, Radiography, Dental Hygiene, Occupational Therapy and Physical Therapy programs, student must follow the guidelines outlined in program handbooks prior to pursuing this process.

1. If the issue cannot be resolved informally to the satisfaction of the parties involved, the student, employee or member of the public must present, a formal grievance in writing within 30 days of the incident/issue, and explanation of the situation to the appropriate Campus Judicial Officer. The

Grievance and Appellate form, which is located in the College portal and the SFCC website, is the best option for reporting such grievances.

2. The written grievance should include the specific concern and a reference to the matter described in the bulleted items above. The burden of proof shall rest on the Complainant/Appellant, with the opportunity to present witnesses and other evidence in support of their position on the matter being considered. Such presentation of permissible evidence, witness testimony, etc., may be done electronically or during the course of an in-person administrative process. The Campus Judicial Officer is responsible for completing an impartial, prompt and thorough review of the issue. In all grievance investigations/reviews, the preponderance of evidence will be the evidentiary standard.
 - a. The primary Campus Judicial Officer for any academic issues will be the respective academic Dean. In other grievances and appeals involving students, the primary Campus Judicial Officer will be the Dean of Student Services. In grievances and appeals involving members of the public, the appropriate Campus Judicial Officer will be determined and appointed by the Dean of Student Services. In circumstances where a predetermined Campus Judicial Officer has a conflict of interest or bias, a temporary, impartial Campus Judicial Officer will be appointed to review the grievance of appeal by the Vice President of Finance and Administration.
3. The Campus Judicial Officer will make a determination based on the evidence and thorough consultation with all parties involved within ten (10) business days of receiving the written grievance. The Campus Judicial Officer will then send notice to all parties of the outcome of the grievance through SFCC email, with specific information supporting the decision. Once emailed, the written notice of the decision will be presumptively delivered. Additionally, all parties will be advised of their rights to appeal the decision, the grounds for appeal, and the location at which the appeal form can be accessed.

Appeal Process:

The following appeal process is only intended for complaints and grievances from students, employees and members of the public that are not associated with discrimination, harassment or retaliation. Issues which have been adjudicated through the Nondiscrimination, Harassment and Retaliation Resolution Process are subject to the appeal structure outlined in Regulation 1211.

SFCC appeals are reviewed and final determinations made by the Campus Issue Resolution Committee ("CIRC"). The CIRC members will be appointed as needed by the College President and will include a full-time faculty member, full-time staff member, and an SFCC administrator:

- Each member of the CIRC will commit to serve a one-year term.
- If an appeal should arise that involves one of the CIRC members, or a member of the committee is unable to complete the one-year term, the College President will appoint a temporary substitute for that member.
- Appeals to the CIRC will be submitted on the Grievance and Appellate form, located on the College portal. The Executive Assistant to the Dean of Student Services will serve as the record-keeper and manage electronic communication, evidence access and deadlines for the CIRC.

If a student, employee or member of the public is not satisfied with the outcome of the complaint or grievance as determined by the Campus Judicial Officer, they can submit a formal written appeal using the Grievance and Appellate form within ten (10) business days of receipt of the emailed notification of the decision. During any appeal process, sanctions, supportive measures or any other actions implemented by the Campus Judicial Officer will remain in effect until the conclusion of the appellate process.

Appeals are limited to the following grounds:

1. A procedural irregularity that would change the outcome.
2. New evidence that would change the outcome and that was not reasonably available at the time the determination regarding responsibility or dismissal was made.
3. The Campus Judicial Officer had a conflict of interest or bias for or against Complainants or Respondents generally or the specific Complainant or Respondent that would change the outcome.

4. The decision is substantially contrary to the weight of the evidence in the record (applicable to sanctions of suspension, expulsion, or termination, only).
5. The sanctions fall outside the range of sanctions designated for this offense, considering the cumulative conduct/disciplinary record of the Respondent (applicable to sanctions of suspension, expulsion, or termination, only).

The CIRC Chairperson will determine if the request meets the grounds for appeals. This is not a review of the merits of the appeal, but solely a determination as to whether the request could reasonably be construed to meet the grounds and is timely filed. If the appeal does not provide information that meets the grounds for CIRC review, the request will be denied by the CIRC Chairperson, and the parties involved will be simultaneously notified of the denial and the rationale by SFCC-issued email or otherwise approved account. Once emailed, the Appeal Outcome will be presumptively delivered.

If any of the grounds in the Request for Appeal meet the grounds in this Policy, then the CIRC Chairperson will notify all parties involved and provide them with the opportunity to submit a written response to any portion of the appeal that involves them. The period of time to provide response to the CIRC is five (5) business days. The CIRC Chairperson will forward all responses, if any, to all parties involved for review and comment.

The CIRC Chairperson will collect any additional information needed and all documentation regarding the approved appeal grounds, and the subsequent responses will be shared with all CIRC members, who will render a decision in no more than ten (10) business days from receiving the final responses from the parties involved.

In most cases, appeals are confined to a review of the written documentation or record of the original determination and pertinent documentation regarding the specific appeal grounds. Appeal decisions are to be deferential to the original determination, making changes to the finding only when there is clear error and to any sanction(s)/responsive action(s) only if there is a compelling justification to do so. An appeal is not an opportunity for the CIRC to substitute their judgment for that of the original Campus Judicial Officer merely because they disagree with the finding and/or sanction(s). All decisions are made by majority vote and apply the preponderance of the evidence standard.

An appeal may be granted or denied.

A Notice of Appeal Outcome letter will be sent to all parties simultaneously, or without significant time delay between notifications. The Appeal Outcome will specify the finding on each ground for appeal, any specific instructions for remand or reconsideration, any sanction(s) that may result which the College is permitted to share according to federal or state law, and the rationale supporting the essential findings to the extent the College is permitted to share under federal or state law. Written notification will be delivered by email to the Parties' SFCC-issued email or otherwise approved account. Once emailed, the Appeal Outcome will be presumptively delivered.

Once an appeal is decided, the outcome is final; further appeals are not permitted. When appeals result in no change to the finding or sanction, that original decision is final.

Retaliation Notice

Retaliation against a person(s) who files a complaint, grievance or appeal, or persons who participate in the grievance and appellate processes is strictly prohibited and could result in sanctions under the applicable College policies. SFCC defines retaliation as any adverse action, including intimidation, threats, coercion, or discrimination against any person, by the College, a student, employee or a person authorized by the College to provide aid, benefit or service under the College's education program or activity, for the purpose of interfering with any right or privilege secured by law or SFCC policy, or because the person(s) has engaged in protected activity, including reporting information, making a complaint, testifying, assisting, or participating or refusing to participate in any manner in a formal resolution process, or in any other appropriate steps taken by the College to promptly and effectively address concerns in its education program or activity, prevent their recurrence, and remedy their effects.

Title IX

Title IX is a federal civil rights law passed as part of the Education Amendments of 1972 that prohibits discrimination on the basis of sex in an education program or activity that receives federal financial assistance.

Under the Title IX Final Rule released by the Department of Education on May 6, 2020, Title IX applies to sex discrimination, sexual harassment, sexual assault, dating violence, domestic violence, or gender-based stalking that occurs in an education program or activity. Incidents that occur on campus or within a SFCC program or activity, which includes locations, events and circumstances where SFCC has substantial control over the conduct, are covered by Title IX. You can find the full Nondiscrimination, Harassment and Retaliation Statement and Resolution Process listed in [SFCC Regulation 1210 and 1211](#).

What kind of behaviors should be reported to the Title IX Coordinator?

Sex-based discrimination occurs when a person has been treated inequitably based on sex, gender identity or gender expression. Specifically, SFCC prohibits the following forms of sex discrimination:

- Sex-based discrimination

- Sexual Harassment
- Sexual Misconduct
- Stalking on the Basis of Sex
- Intimate Partner / Relationship Violence
- Sexual Exploitation

What is sexual harassment?

Sexual Harassment is conduct based on sex that meets at least one of the following criteria:

- An SFCC employee conditioning the provision of an aid, benefit, or services of the College on an individual's participation in unwelcome sexual conduct;
- Unwelcome conduct determined by a reasonable person to be so severe, pervasive and objectively offensive that it effectively denies a person equal access to the College's education program or activity; or
- Sexual assault, dating violence, domestic violence or stalking.

Making a Title IX Complaint

If you believe you have experienced sexual harassment or sex-based discrimination, you can talk with the Title IX Coordinator about how to file a formal complaint and be advised of your rights and options under the SFCC Nondiscrimination, Harassment and Retaliation Resolution Process (Regulation 1211). Complaints of sexual harassment or discrimination can be made online using the [Campus Concern Incident Report form](#), or made in writing directly to the Title IX Coordinator at any time. The following individuals can receive Title IX complaints in person, by phone, by email or using the electronic report form noted above:

Intellectual Property

SFCC fosters an environment conducive to the creation, dissemination, discussion, and exploration of knowledge. In addition, ownership of academic intellectual property resides with the creator in order to encourage the investment of time, thought, creativity, and energy in the development of academic works, including copyright, books, articles, works of art, musical compositions, and course materials.

This policy applies to all intellectual property related to the academic works of faculty and students, except in the following circumstances:

- Works written or produced for grants or contracts that specify that ownership belongs to the funding or contracting party, or for college administrative software.
- Student-created products that are not claimed by students within 30 days of the close of the semester in which those products were created. After this period, these works belong to the College.
- If intellectual property developed at the College is commercialized by someone other than the College, the institution retains the right to control whether its name or logo is displayed in association with the work and to require appropriate acknowledgment of institutional support of the creation of the work. The College should be notified of intent to commercialize prior to any commercial agreements.
- If the creator was assigned, directed or specifically funded by the College to develop the material, the institution can recover direct expenses related to the development of intellectual property from revenue subsequently collected by the creator.
- Unless otherwise agreed in writing prior to the creation of copyrightable material that is developed for college courses or curriculum, the institution will have for five years nonexclusive, royalty-free, use of the work and the ability to modify the work for its use within the institution so that the College's continued use of such material for educational purposes is not jeopardized.
- Mediated courseware shall not be sold, leased, rented, or otherwise used in a manner that competes in a substantial way with the for-credit offering of SFCC while the creator is employed by this institution, unless that transaction has received the approval of the Vice President Academics and Student Success.
- This policy does not apply to intellectual property developed before this policy is formally approved.

Appeals concerning student issues related to intellectual property can be made through the Student Grievance and Appellate Process as described in Regulation 2160. ([Policy 6230](#))

Complaint Process

State Fair Community College recognizes problems between students, employees or other stakeholders may occasionally occur. With the exception of issues dealing with harassment or discrimination, which by law must be dealt with immediately through a formal process defined in policy and regulation, the college attempts to resolve problems quickly and at the most appropriate level and complaints concerning the Board of Trustees' actions or operations only, which will be handled by the Office of the President.

When an issue cannot be resolved through informal efforts, the student, employee or other stakeholder may choose to submit a formal complaint. A formal complaint must be made in writing to the Dean of Student Services, in accordance with Regulation 1385. The Dean will take the following actions:

- Document the complaint

- Contact appropriate parties
- Follow up to ensure resolution of complaint
- Contact complainant to confirm resolution

A summary report of complaints will be prepared annually and will be analyzed and discussed by the Executive Leadership Team, who may recommend improvements or other necessary actions based on the analysis of the data presented.

SFCC reserves the right to deny or remove any preferred name with or without notice for misuse, including but not limited to misrepresentation, attempting to avoid legal obligation, or the use of derogatory names.

Instances in which preferred name will be used, but are not limited to:

- Learning Management System
- Class Rosters

- Disciplinary records
- Financial aid documents and processes
- Enrollment and degree verification processes
- Other records where the student's legal name is required by law or college policy:
- Official lists of students made available to the public.

A change of legal name requires a Change of Name form, a copy of a government-issued photo ID, an official name change document (such as a marriage or divorce record, court records, military records or passport) and Social Security card reflecting the new name.

Enrolling in Classes

Choosing the classes you need, at the times and in the formats best suited for you, is an important process for you to understand. In this section, you can find information about how to get enrolled in classes, how to make changes to your schedule, and how to make sure you are staying on track to finish your degree or certificate program. We have also included information about how to make sure you get college credit for classes you took before arriving at SFCC. If you have questions about anything in this section, you can reach out to your Student Success Navigator or the Office of Academic Records and Registrar at Registrar@SFCCMo.edu.

Your Student Success Navigator

As soon as you have completed your enrollment checklist, we'll pair you with a personal Student Success Navigator who will work with you one-on-one to help you plan your academic journey, stay on track for graduation and deal with obstacles along the way.

Student Success Navigators are here to help you create and maintain an educational plan, enroll in classes and deal with life issues that could interfere with your ability to complete your education. Your navigator is your "go-to guide to success." Students on all our campuses have Navigators. Find out who your Navigator is in MySFCC >> Academics >> Academic Profile or OKTA >> Starfish. View your Success Network in Starfish to find your Navigator. You can contact or make an appointment with your Navigator at any time to discuss educational plans, career paths and enrolling in classes.

Until you have earned 13 credit hours, you must work with a Navigator to enroll. After you have earned 13 credit hours, you can enroll yourself in courses each semester, but we still encourage you to meet with your Navigator to make sure you're taking the courses required for your specific certificate or degree. Navigators are available on each campus from 8 a.m. to 5 p.m. Monday through Friday (Hours may vary by Navigator to accommodate evening students). To schedule a meeting, set an appointment in the Starfish app in MySFCC.

Enrollment Dates

Enrollment information is available prior to the start of each enrollment period for new, current and returning students at www.sfccmo.edu.

Placement Requirements

Admission to SFCC does not guarantee enrollment in any specific course or program. Courses or programs may have size limitations, pre-requisite /co-requisite requirements or other rules regulating enrollment. Programs with selective admission criteria will be listed in the Course Catalog. Additional documents may be required depending on your admission statuses or prior to enrollment, including:

- Official placement scores (i.e., ACT, ACCUPLACER) from within the past five years or the appropriate documentation to waive this requirement, if required for pre-requisites.
- Official college transcripts from all colleges where credit was attempted or earned.

Waiver of the placement testing requirements

SFCC may waive all or part of the placement test if a student provides official documentation of one of the following:

- An SFCC course with:
 - A grade of C or higher with a MATH subject prefix.
 - A grade of C or higher with an ENGL subject prefix excluding ENGL 106.
 - An official college transcript from a regionally accredited institution documenting the following coursework:
 - A grade of C or higher in any SFCC equivalent course with a MATH subject prefix.

- A grade of C or higher in any SFCC equivalent course with an ENGL subject prefix excluding ENGL 106.
- An official ACCUPLACER score earned within the last five years.
- An official ACT score earned within the last five years. An official SAT score earned within the last five year.
- An SFCC Guided Self-Placement Score earned within the last five years. ([Regulation 6410](#))

Other Course/Enrollment Options

Articulation Credit

Students seeking articulation credit may receive credit upon completion of high school courses in a program for which the College has an articulation agreement. Students must have a grade of a B or higher in articulated courses.

Students seeking articulation may apply for admission by submitting all of the following:

- An application for Admission using the SFCC website; and,
- Verification of high school completion with graduation.

Auditing a Course

Students may audit when they wish to review or preview a course. Audited classes do not count as part of the regular load for financial aid or veteran's certification nor as hours earned in determining satisfactory academic progress.

Students must pay regular tuition and fees for audited classes.

Students seeking to audit a class who are not currently enrolled at SFCC must apply for admission by submitting all the following:

- An application for admission using the SFCC website; and,
- Request to Audit form available in the Academic Records and Registrar office.

Active participation and preparation for class activities is essential to the overall learning environment for the whole class. Thus, students who are auditing a class but are not prepared for class interaction such as group activities may be requested to stop attending the class. Students who choose to audit a class are expected to participate in class learning activities and discussions even though grades will not be assessed. Being prepared for class interaction may include but is not limited to prior reading of textbook and other outside assignments used for classroom discussion or activities and in-class discussion and projects.

In addition, students may not audit applied music classes, sciences that have a lab component, internships, student teaching, fieldwork or independent study courses. Allied Health classes are not eligible for auditing. A full list of excluded classes is available from the Office of Academic Records and Registrar. Other restrictions on auditing classes include:

- Online courses are not eligible to audit.
- Students can audit a course that has been previously completed on a graded basis.
- When enrollment limits are a concern, registered students will be given preference over students auditing the course.
- Students auditing a course are required to meet all prerequisite requirements for the course.
- Students auditing a course will be expected to have or to supply required items, materials or devices as other students in the course. Students are to have any required textbooks for the audited class.
- There is no limit to the number of courses that may be audited but the hours do count as part of a student's course load but not for the purpose of financial aid, loan deferments, athletic eligibility, or to meet the residency.
- Once enrolled in a course for regular credit, it cannot be changed to an audit after the published date on the Academic Calendar.
- A student may drop an audited course with a W by the published date on the Academic Calendar.
- Students are not required to complete assignments (except as listed above) or take exams and should not be in classroom during exams if they are not participating.
- Students auditing courses are issued a final grade of Audit (AU). An AU grade prevents a course from being applied to a certificate or degree.
- Request to Audit form available in the Office of Academic Records & Registrar.

Class Participation

Class participation is essential for student success and students are expected to participate in all class sessions and report punctually. Specific participation requirements are up to individual instructors and will be listed in the instructor's course syllabi.

Students who are unable to participate in some official college capacity, such as athletic travel, participation in a class or club-sponsored activity, or as parts of an approved accommodation under specified policy and/or regulation will be allowed to make up course work, exams, etc.

All such requests must be initiated by the student, appropriate club sponsor, coach, or written accommodation.
([Regulation 2310](#))

Developmental Courses

Developmental courses are numbered below 100 and focus on skills that need to be developed to prepare a student to enter college-level courses. Students are placed in these courses as a result of placement testing and a grade of C or higher must be earned to advance to the next course in the sequence. Developmental courses cannot be applied to a degree or certificate.

Transfer Credit

Students who have attended other Colleges (including dual-credit courses taken while in high school) must request that an official transcript through approved methods be sent to SFCC. The transcript can be mailed to the SFCC Academic Records and Registrar Office; it can be brought to the Student Services Office at the Sedalia campus or to an extended campus site in a sealed envelope from the sending college's Academic Records and Registrar office; or it can be faxed from the sending college Registrar's office with a cover sheet to the SFCC Academic Records and Registrar Office. Any other form of transcript will be considered "unofficial" and will not be accepted for transfer credit. Official transcripts are required to transcript credit.

Credit is evaluated and transcribed from colleges that are regionally and/or nationally accredited. Courses completed from colleges that are not regionally and/or nationally accredited may be considered for college credit. Courses descriptions or course syllabi may be required for review by the appropriate Instructional Dean. All courses with successful grades are evaluated and transcribed. When a student repeats an equivalent transfer course at SFCC, the higher of the two grades will be used to calculate hours earned and the GPA. The repeated course and grade remain on the SFCC transcript.

Transfer courses for which SFCC has an equivalent course will be transcribed with the SFCC subject code, course number and credit hours. If there is no equivalent SFCC course, the transfer course will be coded on the student's transcript to indicate which degree requirement it fulfills. Any student who has received a Bachelor's degree or higher and is returning to SFCC to pursue an AAS, AAT, AS degree, or certificate will only have the courses that apply to that major transcribed. If a student changes his or her major, a request must be made to have transfer credit reevaluated. Any student who is classified as a visiting student or a personal interest student will only have prerequisite courses transcribed. Equivalency guides for colleges from which SFCC accepts transfer credit can be found on the SFCC website.

Official transcripts are evaluated and transfer credit is entered by the Registrar on the student's SFCC transcript. Some departments have time limits for transfer courses. A course may transfer as an SFCC equivalent but because of its age may not be applicable to a specific program of study. Students can view the credit that has been accepted on the college portal.

If a student does not agree with the evaluation of a course, he/she may submit a course syllabus from the sending college to have the course re-evaluated by the Registrar. If the appeal regarding the disputed course is not resolved, the student may appeal utilizing the Grievance and Appellate Process as outlined in Regulation 2160. Credit earned by credit-by-exam (CLEP, DSST or AP) and from non-traditional sources (armed services experience, standardized occupational testing or department exams) are reviewed by the Registrar and credit may be granted if applicable.

Transfer credit is awarded for courses completed at colleges and universities outside the United States that are accredited or approved by the Ministry of Education (or other appropriate government agency) of the country in which

they are located. The transcripts must be translated into English and evaluated course-by-course by one of the recognized transcript evaluation services. A student may be asked to provide course descriptions or course syllabi to determine course equivalencies. Contact the Registrar's Office for information.

Any irregularities in transcripts that are received will be checked and if a document is determined to not be authentic, admission will be denied and registration at SFCC will be cancelled.

Students will be allowed to submit an unofficial transcript in order to be admitted to SFCC and enrolled in classes for one semester. The student will not be considered eligible for financial aid and will not be allowed to enroll in subsequent semesters until the official final transcript is received and reviewed by the Registrar's Office.

Credit for Prior Learning (CPL)

Students planning to transfer should check with the receiving institution regarding their policy for acceptance of transfer of credit for prior learning (CPL). College credit may be awarded by SFCC for credit for prior learning under the following conditions:

1. All courses for which credit for prior learning is awarded must have equivalent courses in the College curriculum. Partial credit will not be awarded.
2. Academic credit will be awarded only for those courses directly applicable to the student's certificate or degree program.
3. Students must submit the required documentation as defined by each department.
4. General Education course credit will be awarded for credit by examination but not for non-traditional education.
5. Students must have been granted admission to the College prior to the evaluation of credits and have successfully completed at least one credit hour at the institution.
6. A maximum of 21 hours may be earned and applied for work experience. The total of all credit for prior learning (CPL) cannot exceed 30 hours earned and applied toward a degree.
7. The Registrar is responsible for final approval or disapproval.

Credit by examination

College Level Examination Program (CLEP) and DANTES Subject Standardized Tests (DSST) provide opportunities to earn academic credit for knowledge equivalent to that learned in the College classroom. These tests include general and subject examinations. SFCC uses ACE recommended scores for granting credit. SFCC does not accept CLEP or DSST credit to fulfill requirements for laboratory science or public speaking courses. Students must have a score report sent to the College to be evaluated for college credit.

Advanced placement

SFCC grants credit for Advanced Placement test scores of 3 or higher. Students must have a score report sent to the College to be evaluated for college credit.

Departmental exams

Credit may be awarded for departmental exams. Each academic department determines which courses have a test-out option and the minimum score to receive credit. An application to request a departmental exam must be submitted to the dean of that division. If the requirements to receive credit have been met, the paperwork will be forwarded to the Academic Records and Registrar Office to be evaluated for college credit. To receive the credit, students must enroll in the course(s) and pay tuition and fees for the course(s). Normal tuition and fees apply to any credits awarded.

Credit for armed service experience

Advanced placement credit may be granted for educational training earned while in the armed services, according to the American Council of Education (ACE) recommendations. Students must submit an armed services transcript and/or a DD 214 to be evaluated for college credit. In some cases (e.g. the course (s) were taken many years ago), an armed services transcript may not be available. Students will need to contact the Registrar's Office to determine what other documents are acceptable to be evaluated for college credit.

Credit for work experience

Credit may be awarded for work experience and may only be applied to courses in the student's program of study. Specific requirements may vary by academic department. However, for any credit to be awarded, students must satisfactorily complete a significant capstone project, such as a major paper reflecting how lessons learned in that work experience can be applied to the discipline. An application to request credit for work experience (with documentation)

must be submitted to the dean of that division. If the requirements to receive credit have been met, the paperwork will be forwarded to the Academic Records and Registrar Office to be evaluated for college credit. To receive the credit, students must enroll in the course(s) and pay appropriate tuition and fees. Normal tuition and fees apply to any credits awarded.

Credit for other nontraditional education

In some cases, credit in the student's program of study may be awarded for workshops or industry certifications that are equivalent to college classes. For credit to be received, the workshops or industry certifications must meet the following criteria:

The learning was sponsored by a recognized, national or state organization; and an application to request credit must be submitted to the Dean of that division with validated documentation stating the course, knowledge, skills, competencies, credit/clock hours completed and/or certification. If the requirements to receive credit have been met, the paperwork will be forwarded to the Academic Records and Registrar Office to be evaluated for college credit. ([Regulation 6440](#))

Schedule Changes

Adding a course

Students may add a course through the student portal or with their navigator up to the official last day to add as published on the Academic Dates and Deadlines. Enrollment will close at 11:59 p.m. on the published date for all courses in the part of term.

After enrollment closes for the part of term, students may add a course by appealing to the appropriate dean by filling out the Late Registration Request Form (available on the College portal) up to the published late registration request date for the part of term. If permission is granted, the approval will be sent to the Academic Records and Registrar office to add the student to the course. Instructors will not be able to add a student to their course without dean approval after the published date and any special permissions required remain in effect. Class attendance guidelines remain in effect if a student enrolls late for a course.

Students may not add an interim (minimester) course after the published date on the Academic Dates and Deadlines or enroll in more than one course during an interim (minimester) part of term.

Dropping a course

Students may drop a course through the student portal or with their navigator before the semester starts or until the official last day to drop as published on the Academic Dates and Deadlines. Approval is not required to drop a course. Students who have a hold on their account should send student name, ID number, CRN, course number/title, and instructor name to add-drop@sfccmo.edu using their SFCC email account. Notifying an instructor or navigator is not enough to officially drop a course.

Withdrawing from all courses

Students may drop all courses before the semester starts or until the last day to drop as published on the Academic Dates and Deadlines by completing the Student Withdrawal form through the College portal. Students will not be permitted to withdraw from their last course or withdraw from all courses without completing this form. Notifying an instructor or navigator is not enough to officially drop all courses. A hold will not prevent a student from submitting this request.

Courses dropped before or during the 100% refund period will not appear on a transcript. Courses dropped after the 100% refund period will appear on a transcript with a grade of W.

Students are encouraged to contact their instructor, navigator and the financial aid office before dropping a course or withdrawing from all courses. Dropping a course or withdrawing from all courses may result in a financial obligation to the College and jeopardize insurance, financial aid, scholarships, and athletic participation eligibility. Failure to notify the College of an intent to drop a course or withdraw from all courses may result in a grade of F for the course(s) rather than a W. ([Regulation 6470](#))

Military Withdrawal

This regulation follows the guidance of the Missouri Statute, Chapter 41, Military Forces, Section 41.948 that covers rules for Reserve and National Guard being called to active military service whether voluntarily or involuntarily prior to completion of the semester/term at SFCC. Also, this regulation covers military issues involving active-duty members

and their responsibilities to their unit in a normal day-to-day operation where their work/deployment/special duty requirements may conflict with their SFCC class(es).

In most cases Reserve and National Guard members will be placed on orders when called to active duty. Reserve and National Guard members should produce a copy of their orders when requesting action of this regulation.

Active-duty members may also be issued orders when required to complete their assigned jobs. For example, an active-duty member who is being deployed from their home station active-duty location would normally receive orders. Active-duty members should also produce a copy of their orders when requesting action based on this regulation. Active-duty members that have conflicting military duty with SFCC classes and are not on orders should work with the Director of Student Success and Retention.

If a military member falls into one of the areas above prior to the completion of the semester/term or similar grading period, that person shall be eligible for either:

1. A complete refund of all tuition and incidental fees charged for enrollment at that institution for that semester, or similar grading period; or
2. The awarding of a grade of "incomplete" pursuant to this section.

OPTION (1) WITHDRAWAL FROM ONE OR MORE CURRENTLY ENROLLED COURSES

Students may choose to withdraw from one or more currently enrolled courses. Students must complete a military withdrawal form, indicate Option 1, and attach a copy of their military orders.

In such cases, a student may request either:

1. That the official transcript indicates the courses that he or she has withdrawn and the reason for the withdrawal. Students choosing this option will have their tuition and fee charges and their student financial aid eligibility calculated effective with their official withdrawal date. They will receive a grade of WM.
2. That one or more courses for that semester be expunged from the student's academic record. Students taking this option will receive a complete refund of all tuition and incidental fees paid by the student for enrollment for that semester. Students who have received federal, state or institutionally funded financial aid must return all aid disbursed to them for the semester.

OPTION (2) RECEIVE AN INCOMPLETE FOR ONE OR MORE CURRENTLY ENROLLED COURSES

Students may choose to receive an incomplete in one or more currently enrolled courses. Students must complete a military withdrawal form, indicate option 2 and attach a copy of their military orders.

In such cases, the student must complete all course work for the semester to the satisfaction of the instructor(s) and the institution. The grade of incomplete shall be converted to a failing grade if the person does not apply to complete the course work within six months of discharge, release from active military service or return to the home station. In the event the person cannot comply for medical reasons related to the active military service, such person may apply to complete the course work within three months of the end of the period of convalescence. Students choosing this option will not receive a refund of tuition and incidental fees paid by the student for enrollment for that semester. The student will have one complete semester after the return from duty or deployment to complete the remaining course work. The current instructor(s) will submit to the Registrar copies of the course syllabus, attendance, course work and itemized grade calculation. These documents will be retained in the Academic Records and Registrar office with a copy of the military withdrawal form.

Financial Aid

The Financial Aid office will be contacted and informed of the student's status and official withdrawal date and may make adjustments according to federal, state of Missouri and institutional guidelines.

Scholarships

If such person has been awarded a scholarship to be used to pursue an academic program in any public higher education institution in Missouri and such person is unable to complete the academic term for which the scholarship is granted, that person shall be awarded that scholarship at any subsequent academic term, provided that the person returns to the academic program at the same institution at the beginning of the next academic term after the completion of active military service. If a student has any scholarships or other aid or award, he or she should contact the issuer to determine whether it will be applicable on his or her return and whether he or she will need to satisfy any other conditions. ([Regulation 2180](#))

Student Course Load

To qualify as a full-time student, an individual must be enrolled in a minimum of 12 credit hours for the entire duration of the semester. A full semester is defined as 16 weeks. SFCC offers various parts of term within this 16-week semester, including 16-week, 12-week, 8-week, and 4-week sessions. Regardless of which parts of term a student is enrolled in, as long as the cumulative total of credit hours for all enrolled courses equals or exceeds 12 credits, the student will be considered full-time.

Part-time students generally take 11 semester hours or less during those same parameters.

Students are considered full-time if they are enrolled in six or more credit hours for a summer term. The summer is typically eight weeks in length, but also comprises 6-week and 4-week parts of term. Part-time students in the summer terms are enrolled in five or fewer credit hours.

Students requesting to exceed the maximum 19 semester hours during the 16-week semesters and 10 semester hours during the eight-week summer session must submit a student overload request to the Academic Records and Registrar office. Consideration of the request is given to graduating students and those with a 3.0 or higher cumulative GPA.

Grading Systems

Credits are granted on a semester-hour basis. The following symbols and points are used:

A	Excellent (4 grade points per semester hour)	CR	Credit (no grade points)
B	Good (3 grade points per semester hour)	W	Withdrawn
C	Average (2 grade points per semester hour)	WM	Withdrawn Military
D	Below average (1 grade point per semester hour)	AU	Audit
F	Failing (no grade points)	I	Incomplete
P	Passing (no grade points)		

Pass/Fail

Pass/Fail credit is granted for some credit courses. No more than six hours of pass/fail credit may be applied to a degree or certificate. Course numbers below 100 do not apply towards a degree or certificate. This regulation does not apply to some Health Sciences programs that use Pass/Fail for required courses.

Withdrawn

A grade of W will be assigned for any course dropped after the 100 percent refund period. Student initiated drops may not be submitted after the published drop dates.

Incomplete

A grade of I may be given by an instructor to indicate incomplete work or absence from a scheduled final examination if other work is of passing quality.

A grade of I may only be assigned under the following conditions:

1. An internship is extending past the end of the term.
2. A major paper/project and/or the final exam are the only graded items not completed by the end of the term.
3. Required civic or military duty. The student must make the request through the instructor with the approval of the course dean as defined in Regulation 2180.
4. In extraordinary circumstances relating to physical or mental health difficulties that prevent a student from completing, the instructor and the student both agree that the material missed may be made up. Students who qualify as pregnant/parenting under Title IX may require an Incomplete as a result of medically necessary, pregnancy-related absences. Faculty should consult with the Disability Resource Center and/or the Dean of Student Services for guidance. ([See also Regulation 2112](#))

In all cases where a grade of I is submitted, the faculty member and the student should complete a written agreement which clearly states the remaining obligations to the course and a deadline for submission. This documentation will need to be provided to the appropriate dean when the change of grade is requested. For fall semesters, the change of grade request must be made by the last day of the following spring semester. For spring and summer semesters, the change of grade must be submitted by the last day of the following fall semester. After this time, if no change of grade is submitted, the grade of I will automatically become an F.

Change of grade

A change of grade can only be processed using the Change of Grade form located on the Faculty Tab in the Faculty Toolbox Channel. Change of Grades sent via email will not be accepted. The form must have original faculty member

and dean signature. In the case of an already awarded grade of B, C, D, or F written justification will need to accompany the Change of Grade form. All change of grades must be completed and sent to the appropriate dean before the last class day of the following semester or term.

A Change of Grade may be submitted under the following conditions:

1. Calculation error
2. Entry error
3. Completion of course work when an "I" was assigned
4. Original grade was not submitted
5. Grade appeal

Submission of additional work after the course is graded is not a legitimate reason for a grade change.

Grade appeals

Grade appeals must be initiated using the Grievance and Appellate Process as outlined in [Regulation 1385](#) within 30 days of the awarding of the original grade ([Regulation 2510](#)).

Grade Reports

Final grades are available online a few days after the end of each semester or session. Questions about grades should be directed to the instructor first. Grade appeals must be initiated using the College's Student Grievance and Appellate Process within 30 days of the awarding of the original grade as described in [Regulation 1385](#). ([Regulation 2510](#))

Student Academic Progress

Students are expected to make satisfactory academic progress. Students admitted to SFCC as transfer students must also meet satisfactory academic progress requirements. Both grades earned and hours attempted and completed are considered. The calculation of grade point average (GPA) will include all course credit hours for which the student is assessed grades of A, B, C, D or F.

Students must maintain satisfactory academic progress as defined below to remain in academic good standing:

- Upon completion of 12-23.9 semester GPA hours – a minimum 1.50 cumulative grade point average.
- Upon completion of 24-35.9 semester GPA hours – a minimum 1.75 cumulative grade point average.
- Upon completion of 36-47.9 semester GPA hours – a minimum of 1.85 cumulative grade point average.
- Upon completion of 48 and above semester GPA hours – a minimum of 2.0 cumulative grade point average.

Academic review

1. If a student has not maintained satisfactory academic progress, the student will be placed on academic probation and be limited to enrolling in a total of 12 or less credit hours for the fall and spring semesters and total of 6 or less credit hours for the summer semester. Any student placed on academic probation who is currently enrolled in more than 12 credit hours for the fall or spring semester and more than 6 credit hours for the summer semester will be notified by the Student Success Center and advised to work with his or her navigator to adjust the course schedule accordingly by a specific date. If a student's schedule is not adjusted accordingly by the specified date, the Academic Records and Registrar office will adjust the student's schedule to keep in compliance with [Regulation 2530](#).
2. A student is allowed to enroll in courses for three consecutive semesters while on academic probation. When a student reaches the second and third consecutive semesters on academic probation, a Student Success Plan hold will be placed on the student's account to alert the student and the navigator of the academic probation status. This hold will prevent the student from enrolling in courses during the subsequent semester. The student will be required to meet with the navigator to create an Academic Success Plan, enroll in courses and discuss resources of the College in an effort to assist the student in performing in a more satisfactory manner.
3. A student will be placed on the first academic suspension after the third consecutive semester of academic probation if the student has not met the satisfactory academic progress requirements. The first academic suspension will result in the student being suspended from enrolling in courses at the College for one regular semester from the end of the semester suspended.
4. A student will be placed on a second academic suspension if the student has not achieved satisfactory academic progress as defined above. A second academic suspension will result in the student being suspended from enrolling in courses at the College for two regular semesters from the end of the semester

suspended. A student will be placed on a third academic suspension if the student has not achieved satisfactory academic progress as defined above. A third academic suspension may result in the student being dismissed from the College. Based on the suspension, a timeline for returning as a student is charted below:

One Semester Suspension	
Semester Suspended	Return Semester
Fall	Following Summer
Spring	Following Spring
Summer	Following Spring

One Year Suspension	
Semester Suspended	Return Semester
Fall	Spring of the following Academic Year
Spring	Summer of the following Academic Year
Summer	Summer of the following Academic Year

5. Re-admission to the College after a student has been suspended is contingent upon the student serving the required suspension time period and the ability to demonstrate that the conditions that precipitated the unsatisfactory progress have been corrected.
6. A student requesting to return to the College to take courses after serving the required time period for an academic suspension must submit a suspension appeal as defined in [Regulation 1385](#) to the Dean of Student Services. Appeals must be completed at least five (5) business days prior to the start of the part of term for which the student is requesting to return. A student has the option to submit an appeal before the required time period for suspension has been completed.
7. If the appeal is approved by the dean, the student's academic standing will be changed to continuing probation, the student will be limited to enrolling in a total of 6 or less credit hours for the fall or spring semester and a total of 3 or less credit hours for the summer semester, and the student will be required to follow the terms and conditions on the approval letter from the dean. A Student Success Plan hold will be placed on the student's account to alert the student and the navigator of the student's approval for continuing probation. The student will be required to meet with the navigator to prepare an Academic Success Plan and determine courses to enroll in based on the appeal approval letter from the dean.
8. Students who have been approved for continuing probation after returning from an academic suspension will be required to submit an appeal to the dean for approval to enroll in courses each semester showing satisfactory academic progress is being made by earning a 2.0 semester GPA or higher in the previous semester. Students on continuing probation who do not earn at least a 2.0 GPA or higher in the previous semester will be placed on the subsequent academic suspension or be academically dismissed.
9. When a student is placed on academic probation or academic suspension, that academic standing remains in effect for the duration of the semester.
10. A student's academic standing is calculated at the end of each semester. When a student has met the satisfactory academic progress requirements and is back in academic good standing, the Student Success Plan hold will be removed, and the student will then be able to enroll in courses without restrictions.
11. The academic standing for a student who has been granted academic forgiveness as defined in [Regulation 2531](#), will be exempt for the semester(s) approved. The student's current academic standing will be re-evaluated and updated to reflect this change at the time of approval. ([Regulation 2530](#))

Repeating Courses

Students can repeat any course regardless of the previous grade earned. The original course(s) and grade(s) earned as well as the repeated course(s) and grade(s) earned will be printed on the SFCC transcript. Regardless of how many times the course is repeated, the highest (best) grade is used to calculate the SFCC institutional GPA (SFCC courses) and cumulative GPA (all grades earned at all colleges). The repeated course with the lowest grade will be annotated with an E on the SFCC transcript indicating that the grade is excluded from the GPA calculation. The repeated course with the highest grade will be annotated with an I on the SFCC transcript indicating that the grade is included in the GPA calculation.

The following courses may be taken multiple times and do not count as repeats. Check with the Registrar if you have questions about repeating these courses.

- PEAC 124
- PEAC 125
- WELL 118
- WELL 119
- THEA 115
- Internships
- Problems classes

Students should be cautioned that repeating courses may impact financial aid received. Always check on the repeat policy of a funding source (including federal grants and loans, scholarships, A+, WIA, TRA, Vocational Rehabilitation, employer reimbursement, etc.) before enrolling to repeat a course. In some instances, students could be responsible for the payment of the tuition and fees of the repeated course.

Academic Forgiveness

Academic forgiveness is designed to help students overcome previously earned poor grades in order to meet new career and/or educational goals and/or to meet graduation requirements. SFCC permits students to petition for academic forgiveness of course work completed at least five years prior to the petition date.

Approval of the petition permits a new start without the handicap of the prior academic record. Due to the calculation for academic standing it is recommended that a student submit a petition for academic forgiveness before the next term commences or after grades for the previous term have been posted.

A student eligible for consideration may apply for academic forgiveness by contacting their navigator and completing the petition for submission to the Dean of Student Services using the following guidelines:

1. The following conditions must be met:
 - a. SFCC course work subject to the petition must have been taken five or more calendar years prior to the date of the petition.
 - b. There must have been a break in enrollment at SFCC of at least two calendar years after the term for which the petition is filed.
 - c. The request must be submitted within the first calendar year upon returning to SFCC.
2. When invoking academic forgiveness, a student may designate not more than two (2) academic terms (fall, spring, or summer) to be forgiven in his/her academic record. Only terms completed prior to returning to SFCC may be designated.
3. The student must have completed at least one semester and earned a minimum of 12 credit hours with a C or higher in each course and a SFCC GPA of 2.0 or higher for all courses completed since returning to the College.
4. A petition for academic forgiveness will not be considered if a degree has been earned from SFCC subsequent to the semester(s) in question.
5. All "forgiven" course work will continue to appear on the transcript but will not be included in the student's SFCC cumulative GPA, nor shall any course in the term be counted toward a degree granted by SFCC.
6. A student's academic standing will be reevaluated per [Regulation 2530](#).
7. Academic forgiveness will be granted only once.
8. This procedure refers to SFCC only. A student transferring from or to another institution will have to follow the other institution's procedure.
9. Grades that have been forgiven will not be exempt from academic progress related to Financial Aid and Veteran's Administration educational benefits or for athletic eligibility. Academic forgiveness does not apply to these processes.
10. Students who have been granted academic forgiveness will not be considered for graduation with honors. ([Regulation 2531](#))

Student Classification

Students are classified as either freshmen or sophomores. Freshmen have earned less than 30 semester hours. Sophomores have earned 30 semester hours or more.

Honors List

SFCC recognizes student academic achievement. At the end of the fall, spring and summer semesters, a President's, Dean's and Trustees' list is published.

- To qualify for the President's list, a student must earn a semester grade point average (GPA) of 4.0 in 12 or more SFCC GPA hours.
- To qualify for the Dean's list, a student must earn a semester grade point average (GPA) of 3.5 – 3.99 in 12 or more SFCC GPA hours.
- To qualify for the Trustees' list, a student must earn a semester grade point average (GPA) of 3.6 – 4.0 in 6 or more SFCC GPA hours.

The published lists are determined by a student's standing two weeks after the fall, spring and summer semesters end. SFCC GPA hours do not include hours for transfer coursework and SFCC hours with grades of AU, CR, P and W. ([Regulation 2511](#))

Paying for Classes

Enrolling in the right classes and doing well in them is important to your success at SFCC, but so is paying for those classes. Whether you are taking advantage of federal or state financial aid programs, scholarships or making payments on your own, the following information is provided so that you can understand more about how much your classes will cost, when payments are due, and how to access the financial aid you may qualify for. If you have questions about information in this section, please reach out to the Business Office at BusOffice@SFCCMo.edu or the Office of Financial Aid and Veteran Services at FinAid@SFCCMo.edu.

Residency

Resident classification

Student tuition and fees will be assessed according to the following provisions:

Definitions

Student – SFCC considers a student to be any individual currently registered, enrolled or in attendance in a course, or program of the College and for whom the College maintains records.

Adult student – Any student who has attained the age of twenty-one (21) years.

District – The SFCC district consisting of the following component school districts: Benton County R-I, Cole Camp; Benton County R-II, Lincoln; Benton County R-IX, Warsaw; Cooper County R-VI, Otterville; Pettis County R-IV, La Monte; Pettis County R-V, Hughesville/Houstonia; Pettis County R-VI, Smithton; Pettis County R-VIII, Green Ridge; Pettis County R-XII, Dresden; and Sedalia 200.

District resident – A person whose residence is within the district.

Domicile – Presence within a state with an intent of making that state a permanent home for an indefinite period.

Emancipated minor student – Any student who has not attained the age of twenty-one (21) years but who is not under the care, custody, or support of an individual or individuals who have legal custody of the student.

Noncitizen student – A foreign national who holds a student visa or a person who is not a U.S. citizen and is taking courses with the College.

Out of district Missouri resident – A person whose residence is in Missouri, but not in the district.

Nonresident – A person whose residence is not within the state of Missouri.

Residency or resident status – That status which is achieved when sufficient proof of a domicile within a state is presented.

Unemancipated minor student – Any student who has not attained the age of twenty-one (21) years and who is under the care, custody, or support of the individual or individuals who have legal custody of the student.

Evidence of Eligibility

Proof of domicile within the district for resident tuition purposes:

- Presence within the district for a minimum of the immediate past twelve (12) months and the proof of intent to make the district residence a permanent residence for the indefinite period of time; or
- Presence within the district for the purpose of retirement, full-time employment, professional practice, or conducting business full-time.

Criteria to demonstrate intent to make a permanent home within the district:

- Continuous presence within the district during periods in which the individual was not enrolled as a student; and,
- Property taxes paid for the previous year by the student, student's spouse, or student's parents or legal guardians at student's legal permanent address to the College district and one of the following school districts: Benton County R-I, Cole Camp; Benton County R-II, Lincoln; Benton County R-IX, Warsaw; Cooper County R-VI, Otterville; Pettis County R-IV, La Monte; Pettis County R-V, Hughesville/Houstonia; Pettis County R-VI, Smithton; Pettis County R-VIII, Green Ridge; Pettis County R-XII, Dresden; and Sedalia 200; or,
- Two (2) of the following documents: employment verification, proof of home ownership or intent to purchase a home, proof of lease, voter registration, auto registration, driver's license; or,
- Presence within the district upon marriage and a marriage certificate with spouse's proof of residency following the above guidelines.

No single criterion will be determinative of student's entitlement to resident status for tuition purposes; rather the determination will be based upon review of all applicable criteria. The burden of proof of eligibility for in-district resident status rests with the student.

Resident status

Adult student

If a nonresident adult student presents sufficient proof of establishment of in-district domicile as set forth above, the student will be granted resident status at the first enrollment following establishment of in-district domicile.

Emancipated minor student

- The domicile of an emancipated minor student will be determined as if he/she were an adult student.
- A minor student may become emancipated through marriage, formal court action, or proof of alienation of the minor student.
 - Absence of the minor student from the in-district domicile of the individual having legal guardianship does not, without more evidence, constitute proof of emancipation.
 - A minor student will not be considered to be emancipated if a second party other than a spouse takes the minor student as an income deduction.

Members of the military forces

- Students will neither gain nor lose resident status solely as a result of military service.
- If a person is assigned to active duty, the individual as well as his/her spouse and unemancipated minor children will be considered district residents.
- If a member of the military forces is assigned under orders to attend the College as a full-time student, that person as well as his/her spouse and unemancipated minor children will be considered district residents.

Noncitizen student

- A noncitizen student must be legally authorized to work in the United States (i.e., work permit, permanent resident card) by federal authority before he/she will be considered for admission to the College.
 - This does not apply to those students on student (F1) visas.
 - Noncitizen students must meet all other residency requirements that apply to all students.

- Aliens and their dependents holding A or L visas may be granted district resident status if it is determined that they are designated individually as representatives of their government and that their education is not being funded by their government.

Unemancipated minor student

- The domicile of an unemancipated minor student is presumed to be that of the individual(s) having legal guardianship of the student.
- Once an unemancipated minor student has established district resident status under this rule, he/she may continue to qualify for resident status so long as he/she remains continuously enrolled, excluding summer terms at the College, even if the individual(s) having legal guardianship of the unemancipated minor student ceases to reside within the district.

Offset of taxes against tuition

District taxes

Non-district Missouri residents and nonresidents may offset against tuition any real estate taxes paid to the district for the previous year.

State income taxes

Nonresidents of Missouri who pay Missouri income tax may offset against the nonresident fee an amount equal to the Missouri income tax paid the previous year. Regardless of the amount of income taxes paid to the state, the student will be required to pay the non-district Missouri resident rate fee.

Minor students may offset taxes paid by the individual(s) who has legal guardianship of those students as provided in the above paragraphs.

To benefit from these provisions, a student must furnish satisfactory evidence that the taxes have been paid.

Change of resident status

In order to change resident status, students must submit a written request as well as sufficient evidence to substantiate the change to the Director of Admissions and Outreach. The Director of Admissions and Outreach will review the evidence and determine whether the request is justified. Students may appeal the director's decision through the Student Grievance and Appellate Process as described in Regulation 2160. Tuition rates will not be changed mid-semester but will take effect for the next semester in which the student enrolls. Refunds will not be given for previous semesters.

It is the duty of the student to report the correct address on the application for admission and to inform the Academic Records and Registrar office of all address changes. Students shall observe the following guidelines:

1. It is the duty of each student to pay applicable tuition and fees based upon his/her resident status.
2. If there is any possibility that according to the resident classification the student should pay higher or lower tuition and fees, it is the duty of the student to raise the question at the time of enrollment.
3. A student must present a government-issued photo ID to make a change in his/her address.
4. Any student or graduate who wishes to make a change in his/her legal name must present appropriate legal documentation (i.e., a court order, a Social Security card, a government-issued photo ID).

A student who intentionally gives false or inaccurate information on a Certificate of Residency or who fails to inform the Academic Records and Registrar office of a change of address that alters his/her resident status will be subject to the following penalties:

1. The student may be dismissed from the College; and,
2. The student's record will not be released or certified until he/she has paid the appropriate tuition and fees based on the change in residency. ([Regulation 2220](#))

Tuition, Fees and Books

Three things determine the tuition and fees a student pays each semester: residency (permanent legal address), the number of credit hours enrolled, and the courses selected. Tuition and fees are subject to change depending upon financial exigency; however, the College's goal is to keep costs as affordable as possible. Tuition is established by the

College's Board of Trustees and is charged per credit hour. A detailed current tuition and fees listing is available online at www.sfccmo.edu or from the College. Tuition and fees are subject to changes and additions.

Primetime Learner discount of tuition waiver

Missouri residents age 65 or older may enroll in college credit classes with no tuition if space is available in that course. Students receiving the discount will not be given college credit and shall satisfy all course prerequisites. If college credit is desired, the student must enroll in the course and pay full tuition and fees. The student is responsible for any fees, supplies or books. ([Regulation 3361](#))

Military tuition

The following individuals shall be charged the in-state rate, or otherwise considered a resident, for tuition purposes:

- A participant using educational assistance under either chapter 30 (Montgomery GI Bill® Active Duty Program), chapter 31 (Vocational Rehabilitation and Employment), or chapter 33 (Post-9/11 GI Bill®), of title 38, United States Code, who lives in the State of Missouri while attending a school located in the State of Missouri (regardless of his/her formal State of residence) and enrolls in the school within three years of discharge from a period of active duty service of 90 days or more.
- Anyone using transferred Post-9/11 GI Bill® benefits (38 U.S.C. § 3319) who lives in the State of Missouri while attending a school located in the State of Missouri (regardless of his/her formal State of residence) and enrolls in the school within three years of the transferor's discharge from a period of active duty service of 90 days or more.
- A spouse or child using benefits under the Marine Gunnery Sergeant John David Fry Scholarship (38 U.S.C. § 3311(b)(9)) who lives in the State of Missouri while attending a school located in the State of Missouri (regardless of his/her formal State of residence) and enrolls in the school within three years of the Service member's death in the line of duty following a period of active-duty service of 90 days or more.
- Anyone described above while he or she remains continuously enrolled (other than during regularly scheduled breaks between courses, semesters, or terms) at the same school. The person so described must have enrolled in the school prior to the expiration of the three-year period following discharge or death described above and must be using educational benefits under chapter 30, chapter 31, or chapter 33, of title 38, United States Code.

Book costs

Most courses will require purchasing or renting textbooks. Also, workbooks, study guides, and other extras may need to be purchased.

GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at <https://www.benefits.va.gov/gibill>.

Refund of tuition, fees and laboratory fees

Tuition and fees will be credited to the student's account in full if the student officially withdraws before the published obligation date.

Students are able to drop all but their last class online through the student portal, mySFCC, throughout the semester until the designated last day to drop a class for its part of term. A complete withdrawal form located in mySFCC must be completed to drop the last class.

Financial Aid

The College offers a comprehensive financial aid program funded by federal and state agencies and private organizations. The aid programs include scholarships, grants, loans, and part-time employment. All students receiving federal financial aid must enroll in courses that lead to the completion of the specific degree or major they are pursuing.

Applying for financial aid

For federal grants, student loans and the work-study program, the Free Application for Federal Student Aid (FAFSA) needs to be completed and all required documentation submitted by the following dates to ensure funds are in place before the student's entry semester starts.

- Fall – July 1

- Spring – November 1
- Summer – April 1

To be considered for most state programs, the FAFSA must be completed by the priority date of Feb. 1 for the upcoming fall semester. The SFCC online scholarship application needs to be completed by March 1 for the upcoming aid year.

For more information on applying for financial aid, refer to the SFCC website or visit the Financial Aid office or any extended campus location. ([Regulations 2710, 2720, 2730, 2740, and 2760](#))

Tuition Fees Due Dates

Semester	Deadline	Payment methods
Fall 2024	11:59 p.m. Friday, Aug. 23, 2024*	Pay in full by cash, wire transfer, check, credit or debit card, OR complete financial aid requirements, OR enroll in a payment plan.

Student Conduct in the Classroom and on Campus

SFCC strives to provide learning environments that are academically rigorous while remaining inclusive, equitable and inspiring for all students. Those goals are accomplished by setting and enforcing reasonable expectations for student behavior in and outside the classroom. In this section, you can find out more about the rules in place regarding acceptable student conduct and the potential outcomes when those rules are violated. If you have any questions about the information in this section, please contact the Dean of Student Services Office at 660-596-7217.

1. No longer has the disease;
2. Is not in the communicable or infectious stage of an acute disease; or
3. Has a communicable disease that poses little risk of transmission in the classroom environment with reasonable precautions.

The College may require any student suspected of having a communicable disease to be examined by a health care provider and may exclude the student from classes, in accordance with the procedures authorized by this policy, so long as there is a substantial risk of transmission of the disease in the College environment.

A student who has a communicable disease and who is not permitted to attend classes or participate in college-related activities will be provided instruction in an alternative educational setting in accordance with college policy on Equal Educational Opportunity.

Students with communicable diseases have a right to privacy and confidentiality and should report the health issue with the Dean of Student Services. As used in this policy, the phrase college premises include all college buildings and grounds. This prohibition also extends to the sites of college activities, whether or not those activities are conducted on college property. Employees who violate this policy will be subject to discipline up to and including dismissal.

Student participation in college-sanctioned gun safety courses, student military or ROTC courses, or other college-sponsored firearm related events does not constitute a violation of this policy, provided the student does not carry a firearm or other weapon into any building, college transportation vehicle, or onto the premises of any other activity sponsored or sanctioned by college officials. A full report on campus crime, [Annual Safety Report](#), shall be completed and published annually and distributed to all new students and employees. The data included in the Annual Safety Report will include crime occurring within areas designated as SFCC Clery geography and reported to Campus Safety & Security personnel, as well as local law enforcement. In addition, this report shall be made available in its entirety in the Student Services Office and on the [SFCC website](#).

Additionally, SFCC implements procedures for educating the campus community on crime prevention, and providing appropriate resources and support for individuals who have been impacted by crime. ([Policy 2820](#))

Support Services for Students

Being successful in college can mean a lot more than just attending classes and earning satisfactory grades. We recognize that students often need additional support and resources – both in and outside the classroom. SFCC is proud to offer a wide variety of support services available at no cost to help you achieve your goals as a student. The information in this section highlights a few of those support services, as well as where to connect with additional resources on campus or on our website. If you have questions about information in this section, please contact the Dean of Student Services office at 660-596-7217.

Campus Safety and Security

SFCC shall develop and implement procedures for educating the campus community on crime prevention and providing appropriate resources and support for individuals who have been impacted by crime. ([Policy 2820](#))

The Sedalia campus has automated lights for the parking areas. They are on full brightness from dusk until one-half hour after evening classes end when classes are in session. In addition, walk lights, parking lot lights and interior and exterior building lights operate from dusk to dawn at most SFCC locations.

A Campus Resource Deputy is available on the Sedalia campus and can be reached by calling (660) 596-7110. The deputy is an employee of the Pettis County Sheriff's Department and has full arrest authority while on campus. The deputy will respond to reports of safety issues and concerns and has the authority to call in additional law enforcement or emergency personnel as needed. When the deputy is not on duty, a staff member will answer the safety phone and respond. At extended campus locations the site director or coordinator is responsible for security and should be contacted in the case of a perceived threat to security.

Students with Disabilities

The student with a disability who requires accommodations must register with the Disability Resource Center in the Charles E. Yeater Learning Center. It is the student's responsibility to initiate the request for services.

Students are encouraged to establish documentation and a request for accommodations at least two weeks prior to the first day of the semester.

Students with a disability are responsible for providing documentation from the appropriate medical or psychological professional and should make an intake appointment with the Disability Resource Center. Students are responsible for any charges associated with obtaining documentation.

The Disability Resource Center shall have the authority to make the final determination as to reasonable accommodations. Students are expected to meet the technical standards Essential Qualifications of the specific program they are pursuing.

After accommodations have been established by the Disability Resource Center, a letter will be presented to the student describing the accommodations that he/she qualifies to receive for each class in which he/she is enrolled that semester. A confidential letter will also be presented to the instructor describing the accommodations for which the student qualifies for that class. However, the letter will not contain any specific disability. ([Regulation 2110](#))

Students with Disabilities – Testing Accommodations

SFCC is committed to providing fair and appropriate testing accommodations for eligible students. Accommodations include, but are not limited to, extended test taking time, use of assistive technology, minimal distraction testing environment, oral tests, use of readers and the use of scribes. In order to be eligible for these accommodations, the student must provide the Disability Resource Center with the documentation that is required to determine eligibility.

Accommodations documentation requirements

In order to fully evaluate requests for accommodations or auxiliary aids and to determine eligibility for services, the Disability Resource Center must have recent documentation (within 3 years) of the student's disability. The documentation should include an evaluation by an appropriate medical or psychological professional that makes evident the current impact of the disability as it relates to the accommodation(s) requested.

The general guidelines listed below are developed to assist the student in working with the student's treating/diagnosing professional(s) to prepare the information needed to evaluate the student's request(s).

1. Current functional impact of the condition(s): The current relevant functional impacts on physical (mobility, dexterity, endurance, etc.), perceptual, cognitive (attention, distractibility, communication, etc.), and behavioral abilities should be described as a clinical narrative and/or through the provision of specific results from the diagnostic procedures and assessments;
2. Treatments, medications, accommodations/auxiliary aids, services currently prescribed or in use: Provide a description of treatments, medications, accommodations/auxiliary aids and/or services currently in use and their estimated effectiveness in minimizing the impact of the condition(s). Include any significant side effects that may impact physical, perceptual, behavioral or cognitive performance. If any additional accommodations or auxiliary aids are warranted, please list them along with a clear rationale and related functional limitations. Any accommodations or auxiliary aids will be taken into consideration, but not automatically implemented;
3. The expected progression or stability of disability over time: If possible, provide a description of the expected change in the functional impact of the condition(s) over time. If the condition is variable, describe the known triggers that may exacerbate the condition;
4. A diagnostic statement identifying the disability: When appropriate, include International Classification of Diseases (ICD) or Diagnostic Statistical Manual (DSM) codes, the date of the most recent evaluation, or the dates of evaluations performed by referring professionals. If the most recent evaluation was not a full evaluation, indicate when the last full evaluation was conducted; and
5. Diagnostic reports must include the names, titles and contact information of the diagnostician, the test utilized in the diagnosing and the date(s) of the testing. Reports must be typed and otherwise legible. ([Regulation 2111](#))

Disability Resource Center responsibilities

The process of determining reasonable and appropriate testing accommodations for qualified students with disabilities is a collaborative effort between the Disability Resource Center and the qualified student. The Disability Resource Center will evaluate the documentation, determine eligibility for testing accommodations, and meet with students on an individual basis to discuss reasonable and appropriate options. The Disability Resource Center also will work with faculty, with Testing Services, and with other departments to facilitate delivery of reasonable accommodations. Students may request a modification of their accommodations at any time. The Disability Resource Center will base the request of new or additional services on official documentation.

Testing Services responsibilities

Testing Services has primary responsibility for providing appropriate testing accommodations for students with disabilities and offers students a reduced distraction-testing environment with study carrels and noise-reducing disposable earplugs.

Testing Services staff are available to proctor exams and quizzes on the main campus. For extended campus students the designated testing coordinator at these sites will coordinate the proctoring. The Disability Resource Center staff will approve all testing sites. Occasionally, with approval of the Disability Resource Center, faculty may proctor their own exams, especially for students whose accommodation is extended test time. All proctors will receive training from Testing Services Director.

Reduced distraction testing environment

The testing environment will be an environment with limited visual and auditory distractions consistent with reasonable accommodations of the student. A reduced distraction environment does not necessitate a private room be afforded to each student. Students with similar testing needs may share a room for testing purposes at the discretion of the test proctor. Students will be allowed to utilize earplugs or headphones at no cost. The proctor reserves the right to check the equipment at any point prior to or during the examination. The primary location of testing on the Sedalia campus is in the Yeater Learning Center Testing Services, Room 171. In extended campus environments, the reduced distraction testing environment is provided in unused classrooms and conference rooms.

Faculty responsibilities

Faculty will complete the Test Proctoring Form, which will document how appropriate testing accommodations for students with disabilities will be provided, including student name, date of the test, the name of the class and the teacher, the name of the test, the amount of extra time (if applicable), the location of the quiet room (if applicable), and the name and the title of the test proctor. Testing Services will maintain a copy of all Test Proctoring forms for a minimum of three academic years.

Confidentiality

The Disability Resource Center, Testing Services, administrators, and faculty will treat all test proctoring forms as confidential, in accordance with [Regulation 2115](#) Nondiscrimination and Student Rights Equal Educational Opportunity Students with Disabilities Confidentiality.

Completed disability test proctoring forms, including all extended campus proctoring forms, will be retained through the Testing Services document management process.

Responsibility of students

1. The student must request accommodations from the Disability Resource Center every semester in a timely manner. The student will work with the Disability Resource Center staff to determine reasonable and appropriate accommodations for each class.
2. The student shall schedule appointments with Testing Services for testing accommodations with as much advance notice if possible, in most cases no later than three business days prior to the exam. Requested accommodations for standardized testing require in most cases at least three weeks' notice if possible.
3. If a student must cancel an arranged exam with Testing Center for any reason, it is the student's responsibility to notify Testing Services by telephone, voicemail or email in advance of the scheduled exam, if possible. This responsibility includes cancellations when the student decides to take the exam in class; when the test is cancelled by the instructor; or when the student drops or chooses to withdraw from the class.
4. If a student is ill or needs to reschedule exams for any other reason, or if a student misses an exam, the student is responsible for seeking their instructor's permission to reschedule the missed exam. The student must provide his or her instructor's written permission to Testing Services. The student also must schedule a new time agreeable to all parties (the student, the instructor, and Testing Services). Instructors are allowed to establish their own policies for make-up assessments and those policies must apply to all students and must be spelled out in the syllabus. For all students, the ability to schedule make-up exams is dependent on their instructor's policy.

5. If the student is late for a scheduled proctoring for any reason, Testing Services or designated proctor will subtract the time missed from the total time allowed for the exam. Proctors will wait up to 20 minutes before determining the student is a "no show." The student shall inform the Disability Resource Center immediately if he/she believes a test accommodation has not been appropriately provided.

Responsibility of instructors

1. The Disability Resource Center will notify instructors about students who are eligible for accommodations each semester before accommodations may be implemented.
2. Instructors shall treat all information about a student's accommodation as confidential. Instructors should ensure that conversations about accommodations, even when initiated by the student, are conducted at a place and time that they may remain confidential.
3. Prior to tests, instructors will submit a Test Proctoring Form to Testing Services complete with the student's name, name of the test, date of test, the name of the class and course number and the instructor's contact information.
4. If an instructor plans a pop quiz the instructor shall complete the Test Proctoring Form. Leave the date and time blank and then notify Testing Services of the date and time of the pop quiz.
5. Faculty shall provide Testing Services a copy of the exam, quiz or other assessment no less than one business day in advance.
6. In order to ensure appropriate testing environments, faculty who prefer to proctor their own exams, typically for students whose accommodation involves extra time, receive prior approval from the Disability Resource Center to administer the exam outside Testing Services. Before providing that approval, the Disability Resource Center will ensure the faculty member has appropriate training, that the facility is appropriate for the accommodation, and that the student is in agreement with the accommodation arrangements.
7. Faculty members must contact the Disability Resource Center immediately if he/she has any issue or concern about accommodations. Any adjustment in accommodations must be approved by the Disability Resource Center.

Use of readers

Readers are approved persons who read aloud any materials to be graded. Readers may read aloud printed or computer-based materials. Readers may read materials such as instructions, exam questions and multiple-choice answers. The reader is not permitted to tutor a student, encourage a response or answer any questions that may affect exams integrity. The reader may not clarify instructions or questions but may re-read any information requested by the student. A request for a reader should take place at least one week prior to the date of the accommodation, if possible, to ensure the needs of the student are met and to ensure Testing Services can have adequate time to locate a qualified reader.

Use of scribes

A Scribe is an approved person to write down answers that are provided by the student on any material to be graded. The scribe writes/types words verbatim as dictated. The scribe cannot edit or assist in the answering of any questions pertaining to the material tested. Students using scribes may be asked to spell or punctuate material in some cases. A request for a scribe should take place at least one week prior, if possible, to the date of the accommodation to ensure the needs of the student are met and to ensure Testing Services can have adequate time to locate a qualified scribe.

Large print format

Documents can be enlarged to 11" X 17" with capability up to 200 percent of the original print size. Electronic information can be printed to individual font size needed. Technology is available for an individual user to access information from documents/materials in large print format on campus. A request for a large print format should take place at least one week prior to the date of the accommodation, if possible, to ensure the needs of the student are met and to ensure the Disability Resource Center and the Copy Center has adequate time to reformat the material.

Audio format

Materials can be made available in audio format by the use of a screen reader, a tape recorder, electronic recordings or other comparable software. Request for audio format should take place at least one week prior, if possible, to the date of the accommodation to ensure the needs of the student are met and to ensure the Disability Resource Center can have adequate time to reformat materials.

Braille

An exam can be provided in Braille. Disability Resource Center will make an effort to locate a Braille exam or convert electronic exam to Braille. A request for Braille exams should be made with a minimum of two weeks prior, if possible, to the arranged exam date for these arrangements to be made.

Academic honesty

Any student observed utilizing any unauthorized materials or resources during a test will be reported to the instructor and Testing Services staff shall fill out a Student Concern and Incident Report. Testing Services has the right to stop a test at any time if academic dishonesty is witnessed. Please see the College's Academic Honesty policy and regulation ([Regulation 6480](#)).

Justifications for deviations from this policy, though rare, will be determined by the Disability Resource Center and Dean of Student Services. The documentation of these deviations is maintained in Testing Services for three years. ([Regulation 2116](#))

Confidentiality

Students with disabilities are protected from discrimination under Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. Information maintained by the Disability Resource Center about students are considered educational records and are governed by the Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99). Although certain medical records are exempt from FERPA's definition of "education records," that exemption does not apply to students with disabilities. Accordingly, confidential records are protected in accordance with FERPA regulations with the purpose of providing appropriate academic accommodation or adaptation of curriculum.

The Disability Resource Center strives to treat all personal information with the strictest confidentiality. It is the policy of the office to hold confidential all communications, observations, and information made by and/or between students, faculty, administration, and staff whenever possible.

The Disability Resource Center may release information to college officials on a "need to know" basis. The need to know must be based on compelling and legitimate educational reasons for the information disclosure. FERPA and the Americans with Disabilities Act, 1990 (ADA), do not allow faculty access to disability related information. ([Policy 2115](#))

Pregnant & Postpartum Students

Under the Department of Education's (DOE) Title IX regulations, an institution that receives federal funding "shall not discriminate against any student, or exclude any student from its education program or activity, including any class or extracurricular activity, on the basis of such student's pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom." According to the DOE, discrimination or harassment on the basis of pregnancy or related conditions is explicitly prohibited. If a student discloses a pregnancy or related condition to any employee, that employee must:

- Promptly provide the student with the Title IX Coordinator's contact information, and
- Inform the student that the Title IX Coordinator can coordinate reasonable modifications to preserve their equal access to the institution's education programs or activities.

Pregnant and/or postpartum students are encouraged, but not required, to self-identify to the Title IX Coordinator. This recommendation does not, however, absolve employees of their responsibility to provide students with the contact information for the Title IX Coordinator, as noted above.

Federal law requires schools, at a minimum, to excuse medically-necessary, pregnancy-related absences and offer other reasonable accommodation for pregnant/parenting students. This type of accommodation includes, but is not limited to, granting the student voluntary leave "for so long a period of time as is deemed medically-necessary by the student's physician," and then effectively reinstating the student to the same status as was held when the leave began. Pregnant and/or postpartum students cannot be penalized for such absences.

Accommodations for pregnant/parenting students should be determined through a cooperative process between the student, Title IX Coordinator (or appropriate designee) and the faculty member on a case-by-case basis. Pregnant students should not be required to provide documentation of pregnancy-related, medically-necessary absences to anyone other than the Title IX Coordinator. Such documentation will only be requested when a certified level of physical ability or health is necessary to participate in the educational program or activity, and when such certification is required of all students participating in the same or similar classes/programs. Pregnancy-related accommodations should not be required of, or otherwise imposed on, a student who has not requested them. No accommodations will be granted which would require fundamental modifications to the essential elements of any academic program.

Students should be aware that SFCC is limited in its ability to impact or implement accommodations retroactively. It is in the student's best interest to establish accommodations with the Title IX Coordinator early in the semester or in the pregnancy.

Options for accommodating pregnancy-related, medically-necessary absences can include, but are not limited to:

- Breaks during class, labs, clinicals or other instructional activities for the purpose of accessing lactation spaces (which must be clean, shielded from view, free from intrusion by others, and cannot be a bathroom);
- Breaks to attend to pregnancy-related needs, including eating, drinking or using the rest room;
- Excused absences (including, but not limited to, medical appointments);
- Extended deadlines;
- Alternate assignments;
- Access to online coursework and/or transition to online course sections
- Change in course schedule or course sequence (so long as such changes do not fundamentally alter the academic program);
- Incomplete grades;
- Allowing students to maintain a safe distance from hazardous substances;
- Dropped/added courses after the published deadline.

Adjustments to the physical environment of a classroom/lab can also be made to accommodate a student who is pregnant or who may have recently delivered a baby. Changes to seating and classroom equipment, and other assistive supports including accessing online content, can be provided under Title IX. To the extent possible, SFCC will take reasonable steps to ensure that pregnant students who take a medically-necessary leave of absence return to the same position of academic progress that they were in when leave began, without penalty.

Information about pregnant students' requests for accommodations will be shared with faculty and staff only to the extent necessary to provide the reasonable accommodations. Faculty and staff will regard all information associated with such requests as private and will not disclose this information unless necessary. Administrative responsibility for these accommodations lies with the Title IX Coordinator who will maintain appropriate documentation related to pregnancy-related accommodations.

In situations such as clinical rotations, labs, group work, faculty are expected to work with the student and Title IX Coordinator in a collaborative process to devise an alternative path to completion. In cohort-model programs, pregnancy-related, medically-necessary leaves are sufficient cause to permit the student to shift course order, or join a subsequent cohort when returning from voluntary leave. The Title IX Coordinator can assist with such processes.

Students are encouraged to communicate regularly with faculty and the Title IX Coordinator to draft a proactive plan to best address conditions and symptoms as pregnancy progresses, anticipate the need for leaves, minimize the academic impact of their absence, and get back on track as efficiently as possible. The Title IX Coordinator will assist with plan development and implementation as needed.

Housing-Related Accommodations

A pregnant student's on-campus housing status will not be altered based on pregnancy status unless requested by the pregnant student. On-campus housing is not designed to accommodate or appropriate for infants. A reasonable accommodation for a postpartum student may include refunds of housing and meal plan charges.

Pregnancy-Related Discrimination/Harassment

Students who feel as though they have experienced discrimination or harassment as a result of their status as a pregnant and/or postpartum student should report those concerns to the Title IX Coordinator as soon as possible. Complaints of harassment or discrimination can be made using the "General Concern/Incident" form located on the College portal, and will be reviewed and adjudicated through the Nondiscrimination, Harassment and Retaliation Resolution Process (Regulation 1211).

Children in the Library

Though a college classroom is not the best place for young children, The Donald C. Proctor Library supports the education of children by allowing staff, students and community patrons to borrow materials from the children's collection. To provide a safe environment for visiting children, the following guidelines and procedures are in effect:

1. A parent/caregiver must supervise children under the age of 12 at all times.
2. Child safety and appropriate behavior is the responsibility of the parent or caregiver.
3. Parents/caregivers are financially responsible for damaged materials/property.
4. Library staff may ask noncompliant patrons, including children and caregivers, to leave the library for unacceptable behavior. Forms of unacceptable behavior include but are not limited to:
 - a. Offensive/obscene language
 - b. Sexual harassment
 - c. Behavior deemed disruptive to the learning environment
 - d. Behavior that places the safety of the child or another patron at risk

Signage detailing parent/caregiver responsibilities is displayed at each entrance and in the children's collection area. ([Policy 6510](#))

1. The catalog is still active;
2. The student enrolled in classes and earned academic credit during the time the chosen catalog was in effect;
3. Only one catalog is used to determine curriculum. (To use a subsequent catalog a student must submit a Change of Program/Catalog Request form.)

Students who are either inactive or in readmit status may only use the catalog in effect from the time of their re-entry. A student may not continue in the original program of study if the program was discontinued prior to re-entry. ([Regulation 2511](#))

Transcripts

An academic record (transcript) is permanently maintained for each student who enrolls at SFCC. SFCC uses the National Student Clearinghouse as our online transcript services provider. We do not accept transcript requests in person, by telephone, email, fax, or in writing. Students may choose the following delivery options when requesting an official transcript: mail, hold for pickup, electronic PDF direct to recipient.

We do not offer same-day, fax or rush options. It is important to check with your recipient to determine which delivery options are acceptable. A transcript is not considered official if the seal is broken.

Current students or former students who still have access to mySFCC may also request a transcript online in mySFCC > Student > I need to ... Request Official Transcript or Check Status.

Cost for an official transcript

A detailed current tuition and fees listing is available online at www.sfccmo.edu or from the College. You can pay with a credit or debit card.

Unofficial transcripts

SFCC does not issue unofficial transcripts. A student who still has access to his or her mySFCC account may print an unofficial transcript under Academics.
